OUR STORY
GRAND HOSPITALITY

Located in the heart of the historic seaside village of Chester on Nova Scotia's South Shore/Lighthouse Trail, the White Gate Inn & Restaurant is named for the entrance gate built by owner's late husband at their Chester Village home.

Passing through those white gates, guests were treated to a grand hospitality, warm friendly smiles and indulgent comfort. White Gate is an homage to the spirit of that home and all of its special memories. It is a sweet luxury of both culinary art and hospitality.
